Participation Release

I understand that this private reading fluency study has been created and operated by Dyslexia Solutions, Inc and I understand that the RAD Prism glasses received in this study are to be used as an educational aid to improve reading fluency. The RAD Prism is not intended for use in treating, diagnosing, curing or preventing any disease. The RAD Prism is not intended as a substitute for the medical recommendations of physicians or other health care providers and all participants are encouraged to cooperate with physicians, optometrists and health professionals to achieve optimum well-being. All participants are required to give a written testimonial of any perceived reading fluency changes. I agree to allow Dyslexia Solutions Inc. to use my testimonial in future publications, lectures, or advertisements. I agree to hold harmless Dyslexia Solutions Inc and all persons working on this study. Dyslexia Solutions Inc. will not be held responsible for any and all liability of any damage, loss or expense to persons or property arising out of this study.
